Cherry Valley-Springfield Central School District

Volume 29, No. 2 October 2015

ELEMENTARY ART

Fifth grade art students worked in teams of six on painting blankets with a Mexican style.

During STEAM, second grade students have been learning about apples. The picture is of partners trying to make a boat out of apple pieces and tooth picks.

LAP School Designation Removed

We are pleased to announce that our District is no longer designated as a school requiring a LAP (Local Assistance Plan). The school had received this designation when its students with disabilities failed to make adequate yearly progress for the 2011-12 and 2012-13 school years respectively. As a LAP school, the District was required to bring together a panel of educators and administrators to review current practices/procedures and make suggestions to improve the academic achievement for students with disabilities. By working together to review this information and implement new procedures and approaches, the District was able to improve outcomes for students with disabilities and as a result we were effectively removed from the LAP designation. In fact, as many of you may already know, Cherry Valley-Springfield C.S. has proudly been given Silver Medal designation this school year.

Director of Special Education

Superintendent's Message

Welcome Fall!

It seems the warm summer days have given way to chilly evenings and foggy mornings. Our school year is off and running! What a tremendous opening we had this year. We continue to celebrate being named a Silver Medal High School from U.S. NEWS and WORLD REPORTS magazine. Our sports teams are enjoying much success on the field and the classrooms are buzzing with teaching, questions and the excitement of a new school year.

Please take some time to scroll through our brand new school website. I believe you will find this much more informative and user friendly. All current information is on the site as well as Board of Education agendas, meeting minutes, athletic events and school closings. This was a tremendous undertaking but the final product was well worth the wait.

Our Partners in Education (PIE) committee is hard at work as we start the new year. PIE held a pie sale and used book sale at our fall open house. We also hosted our second annual alumni soccer game on Saturday, October 3, at 4:00 p.m. PIE meets the first Wednesday of every month at 6:30 p.m. in room 148. All are welcome and invited to attend.

Calling all Veterans . . . Our second annual Veterans Day breakfast will be Tuesday, November 10, at 8:15 a.m. in the school cafeteria. We will be having a short program in the school auditorium immediately following breakfast. Please invite all veterans and have them RSVP Laura Carson at the school at 264-9332. We have also started work on our *Wall of Fame* for our veterans. Pictures and information on all local veterans will be on display here at school. Please contact Kim Gray or Deb Whiteman for more information.

And finally I would like to share with you our district theme for the year. *Plant a Seed* is an all-encompassing theme for each child and staff member that sets foot on the school campus. During our opening day ceremony the staff enjoyed the story, *The Carrot Seed,* by Ruth Krauss, read by our very own Tom Brigham. After the story I spoke to staff about how we as educators can plant a seed with each of our students. By providing water, nutrients and support each child will flourish and grow into a successful individual. Each staff member was presented with a pewter carrot pin to wear during the year to remind everyone of our theme and mission for our students during the school year.

I would like to invite all of you to email, stop in or call me during the year. I welcome your ideas, questions and concerns. We truly are a school community that thrives on the investment of all. Have an outstanding school year!

— *Timothy R. Ryan,* Superintendent of Schools

Secondary Principal's Message

Dear CV-S families,

We are off to a great start for what will undoubtedly be another great school year at CV-S. The campus looks beautiful, our soccer teams have played extremely well, and the quality of teaching and learning in our classrooms continues to impress. Morale is high, having received recognition as a Silver Medal High School in August. I am also proud to announce that our graduation rate increased for the fourth consecutive year in 2015. These achievements could not be possible without the collaborative effort of our entire community.

Cohort	Graduation Rate
2011	78%
2012	85%
2013	89%
2014	95%
2015	97%

I look forward to seeing you on campus for the many events we have scheduled for this fall. Go Patriots!

— *Kevin M. Keane,* Secondary Principal

Elementary Principal's Message

Greetings families of CV-SCS!

I hope your families are enjoying another wonderful start to the school year. September kept us busy and our students did a great job returning to their school routines. This year, to promote a positive and supportive school climate for all students, we have decided to focus on a Patriot Pride theme. During the first few days of September, I took time to meet with each grade level and review the rules listed below. I encourage you to ask your children about what it means to play like a CV-S Patriot. I'm sure they will offer you some insightful answers. I continue to be very proud of the way our students think about and care for one another and the building.

This October, in collaboration with our Continuing Education Program, we are offering a workshop for parents that will help you support your child with Grade 3 and 4 Common Core Mathematics concepts. This event promises to be beneficial to all families and is free of cost.

I look forward to seeing you in and around the school community.

Proud to be your Principal,
Mrs. Crisman

Music Department News

Welcome, Mr. Dangler

The Cherry Valley-Springfield Music Department is pleased to welcome Anthony Dangler. Mr. Dangler was born and raised in a rural setting. He performed in the United States Marine Corps Band in Albany, GA where he performed in hundreds of performances across the United States, Canada, and the UK. Mr. Dangler has taught music at Brookfield Central School and most recently, in Halmstad, Sweden. He holds a bachelor's of music in music education from the Crane School of Music at SUNY Potsdam and a Master's of Music degree in music education from SUNY Fredonia. In addition to teaching, he enjoys hiking, cycling, and camping in the outdoors. Mr. Dangler is excited and proud to be a part of the Cherry Valley-Springfield music faculty.

All-State

Congratulations to **Zachariah O'Connor!** Zach was accepted into this year's New York State School Music Association's Conference All-State Mixed Chorus. He will rehearse and perform at the NYSSMA Winter Conference December 3-6. This is a great honor and accomplishment for Zach. The CV-S Music Department is very proud of all of his hard work and dedication!

Winter Concerts

Start planning ahead—the Winter Concerts will be here before we know it! The December 10, 2015 concert will feature the Fifth Grade Band, Fifth Grade Choir, Junior Jazz Band, and Senior Jazz Band. The second concert, on December 17, will feature the Junior Band, Junior Choir, Senior Band, and Senior Choir. Both concerts will take place at 7:00 p.m. We hope to see you there!

Music Theory

This year's high school music elective is Music Theory. Throughout the course of the year, students will gain a better understanding of the language of music through music reading and writing, as well as listening exercises known as ear training. Students will be able to use these skills in performance, composition, improvisation, and music appreciation, both in school and throughout their lives.

Fruit and Candle Sale

The Music Department will be holding our annual fruit and candle sale in November. Orders can be given to any band or choir member, or contact the school to place an order!

Sports Success

Please Keep in Mind

Your child's success or lack of success in sports does not indicate what kind of parent you are.

But having an athlete that is coachable, respectful, a great teammate, mentally tough, resilient and tries their best is a direct reflection of your parenting.

Class of 2021 News

The class of 2021 took a trip to New York City on August 7-8. We boarded the bus early in the morning for our adventure which took us to the Staten Island Ferry first. We were able to see the Statue of Liberty, Ellis Island, the Brooklyn Bridge and the impressive buildings of Lower Manhattan. Then we went to the 911 Memorial where we stood in awe of the beautiful reflection pools to honor those lost that day. We completed a small tour of where George Washington was inaugurated; Wall Street and St. Paul's Chapel, the church used to help those who were looking for loved ones after the tragedy of 911.

After an awesome supper at the Shake Shack in the park, we then entered the American Museum of Natural History where we were able to spend a Night in the Museum! There were live exhibits of wolves, a hunt for dinosaurs in the dark, bedtime stories with the fish and sea creatures and sleeping with the North American mammals including bears!

On Saturday we spent some more time wandering through the many exhibits of the museum including the planetarium, two footprints, the different continents and peoples, and revisiting our favorites from the night before. After lunch and shopping at the souvenir stores, we boarded the bus and returned home.

The students had a wonderful time and a hearty thanks to all the chaperons and our bus driver Brandon Lundy! Some of the favorite memories include Mr. Ahrens and our bunny guide, Starbucks, souvenirs, sleeping in a line, whale exhibit, Mr. Benson taking lots of photos, bus rides in New York City, and a GREAT time with friends!
