Tri-Valley Championship

Following the CVS Girls Varsity defeat to Milford 6-0 in their Tri-Valley championship game, the Boys Varsity Tri-Valley Championship was held. The two teams competing were CVS and Morris, two teams that had played earlier in the season. CVS won that game 3-0. It was a very cold day, with the sun hidden behind clouds a majority of the match. That however, did not stop the wonderful game of soccer that was about to unfold. Around the 15 after the game started, **Ryan Jaquay** scored the opener for CVS. **Kurt Pressly** crossed in a corner kick, and **Mark Gustafson** headed it on target. A combination of the goalie and a defender kept the header out, but it fell at the feet of Ryan, who pounded it left footed into the goal. Sixteen minutes before time though, Morris tied it up again from a shot by **Matt Murphy.** It was a cross in from the end line that Murphy trapped and fired it past Kyle in goal. It remained tied for the rest of the first and second half, though Morris had a chance to win it late on. They got a free kick that sent Kyle backtracking in goal, but he made two wonderful saves to keep it 1-1. From there, the game was sent into overtime. Golden Goal rule applied, so first team to score will win the game and the Championship. If neither team scores by the end of the two 10 minute halves, then they would be co-champions. No one goes this far to share the honor of being called champions. 1:30 into the first half of overtime, CVS scored to win the game and the banner. **Mark Gustafson** threw the ball to **Kurt Pressly,** who crossed it into **Ryan Jaquay.** He then chested the ball to **Matt Gustafson.** Matt magically flicked it across goal to **Will Murnion,** who kicked it into the open net. The celebrations instantly began, starting with Ryan and other team members tackling Will to the ground on the pitch. Slowly they joined the entire team at the bench, still celebrating. Soon the entire team gathered around one of the goals for a picture, banner flying proudly at the center. This is the third year in a row that CVS has won Tri-Valley.

CVSTA is Collecting *Box Tops* for Education

The Cherry Valley-Springfield Teachers' Association is collecting Box Tops to provide a book to each Pre-Kindergarten student at their graduation ceremony in June. The *Box Tops* are found on many commonly used products like General Mills cereals (Cheerios), Scott brand paper products, and Progressive soups as well as many others. Simply cut the small coupons off the box or label, slip them into a baggie or envelope and send them into school with your child to give to his(her) 1st period teacher. Help the CVSTA congratulate the youngest members of our school community.
