

Capital Improvement Project Informational Meeting Tuesday, September 27, 2022, 7:00 PM Auditorium

Dear Parents & Community Members,

Cherry Valley-Springfield will be the next home of a Bassett Healthcare Network School-Based Health Center (SBHC). This will be a partnership between Cherry Valley-Springfield and the Mary Imogene Bassett Hospital. A SBHC provides comprehensive health care services to students in PK-12th grade at the school. The SBHC can become the student’s main health care provider, and it is able to take care of all primary healthcare needs, even when school is not in session. For students with a primary care provider the SBHC can work with the provider. There will never be any out-of-pocket expenses for SBHC services. The SBHC program will bill the student’s health insurance for services provided on site at SBHC. If the student does not have health insurance, there will be no charge to the student’s family for the health services provided.

THE SBHC IS STAFFED WITH:

- Nurse Practitioner /Physician Assistant who work under a Bassett Pediatrician
- Licensed Practical Nurse
- Ambulatory Office Assistant
- Licensed Clinical Social Worker or a Licensed Mental Health Counselor
- Dental Hygienist
- Dietician

SERVICES PROVIDED:

- Complete physical examinations
- Recommended health screenings
- Comprehensive health care including diagnosis and treatment of acute and chronic illness
- Reproductive health care
- Health education referral services
- Preventive dental services and referrals
- Immunizations, mental health screening, consultation and referrals
- Counseling
- Child Health Plus information and enrollment assistance

Our SBHC will be located in the high school wing, rooms 148 and 150. Parents will have access to the SBHC from the back parking lot. You will be able to enter there after being buzzed in. We will begin sharing more details of the SBHC and how to register your school-aged child early spring 2023. It seems like a long ways away, but it will be here before we know it. We are very excited to be able to offer this service to our families. As the process evolves we will share more information.

Capital Improvement Project Vote Tuesday, October 4, 2022 12 Noon - 8:00 PM Near the band room entrance

The cost to the district is the renovation of two classrooms that will be transformed into the SBHC. The monies to fund this project will be from our Capital Reserve and state aid.

General Construction.....	\$150,000
Plumbing	80,000
HVAC/Mechanical	100,000
Electrical	80,000
	\$410,000
Undesign/Contingency.....	<u>\$102,500</u>
	\$512,500
