

PATRIOT NEWS

Thank You for Jamming with us at our Second Raspberry Jam!

Audrey Maldonado (Library Media Specialist), Rick Robinson (Community Member and Pi Aficionado) and Brian DeBoyace (Technology Teacher) getting ready to Jam in the LMC

Many students were able to enjoy our brand-new Raspberry Pi Kano kits, which were funded by generous donations from people through Donors Choose

Students are able to create and learn with a variety of Raspberry Pi programs. MinecraftPi is always a favorite program for tinkering

The RetroPie station is always a popular hangout at our Jams

From the Superintendent

The hustle and bustle of the new school year has been a warm welcome. There are wonderful things going on in the classrooms, students are engaged, and the first quarter of school has been productive. I wish I could say the same for the weather we have experienced this fall. I hope it is not a sign of the winter to come. That being said, if we have to use another snow day prior to Christmas break we will be required to come back early from break; January 3 and 4. I would not feel comfortable entering January with only three emergency/snow days and coming back early from break would give us back two emergency/snow days.

Student Council is promoting the Sandy Hook Promise that provides programs and practices that protect children from gun violence. Their first initiative is the *Just Say Hello* campaign. The ultimate goal is to create awareness and to establish a positive culture in the building. In October we inducted seven students into the National Honor Society. We have re-established Safety Patrol in sixth grade. Twenty-six sixth graders are now out and about in the hallways, during arrival and departure assisting students. Congratulations to our Varsity and Modified soccer teams on their successful seasons, and also to the students who participated with Cooperstown for Cross-Country and Modified football. Over Veterans Day weekend the Drama Club presented *Who Invited Them* (see photos on page 9). It was a three-act comedy and our students did a fantastic job. Thank you to our students and their advisors. Chorus and band students auditioned for All-County and four students attended Area All-State. As you can see our students have been busy this fall.

Thank you to the area fire departments for spending the day with our students on October 9. Many safety measures were taught and reviewed. Thanks again!

There are five exterior doors that will be replaced during Thanksgiving break from the \$100,000 capital outlay project. Our capital project has finally been approved by SED and is being prepared to go out to bid. It looks like the majority of the work will take place over the summer. Please visit the website for updates on projects. Status of projects and pictures are located under District Office, then Capital project.

On October 25 the community approved leasing land, 119-83, to OMNI Navitas. The land will be used for a solar project. Now that the District has permission to lease the land we are in the process of furthering the discussions and getting multiple questions answered. An actual signing of a lease agreement is approximately six months away. OMNI Navitas has to apply for an Interconnection Application with National Grid and complete a CESIR study. The study will determine if the site is appropriate for a solar project. The timeframe for these two items is 155 days. After that, completed drawings are presented to a planning board. The entire process is the responsibility of Omni Navitas. Many community members have asked if this land lease would reduce our state aid. The answer is no. This is a small lease and it will not have any significant impact on our state aid.

On Friday, November 9, we recognized our Veterans with an assembly attended by our PK-12 students. The Veterans were then treated to breakfast provided by our staff and served by our Student Council members. It was great to see the interaction between our Veterans and students.

Winter sports season has begun. We invite you to attend our games. The HS gym has been upgraded with a resurfaced floor and energy-efficient lights. Admission to games is free (except the Girls Tip -Off Tournament). There are schedules on the website under the Athletics tab—Winter sports. Winter concerts will be here before we know it, December 5 and 13. Come listen to our students perform. They are amazing! Enjoy the holiday season. Please be safe and enjoy the time with family and friends.

Sincerely,

TheriJo Climenhaga, Superintendent

Welcome Exchange Student Jade!

Welcome to **Jade Chuapakdee!** He is our current Rotary Youth Exchange student for this school year. He is from Chachoengsao, a city just to the east of Bangkok, Thailand. He will be a part of the CV-S junior class and is looking forward to meeting everyone in the CV-S school community.

The Richfield Springs Rotary Club is looking for a third host family for our inbound exchange student lasting about 15 weeks starting in mid-March. Interested families should contact Mr. Strange by calling or texting him at 518-788-8628 or email at strangecws@gmail.com.

Welcome to CV-S!

Rebecca Sniffen

Hello Parents/Guardians and Students,

My name is Rebecca Sniffen and I am the new Fourth Grade Elementary Teacher for Cherry Valley Springfield. I have a Bachelor's Degree in Elementary Education from SUNY Oneonta. I am working on my Master's Degree in Literacy from SUNY Oneonta. I have prior experience working with middle school students and elementary students. During my free time I enjoy playing board games and spending time with my three children and our dog. I look forward to helping and teaching our Cherry Valley-Springfield students and working closely with parents. I believe that every student can and will be successful and to make this happen communication between myself and your family is important, so please feel free to reach out to me with any questions or concerns.

Crystal Pierce

Hello Parents/Guardians and Students,

My name is Crystal Pierce and I am the new Elementary Physical Education teacher at Cherry Valley-Springfield Central School. I recently moved to the area with my family from CT, where I taught Physical Education for many years. I have a Bachelor's in Physical Education and Health from Southern CT State University and a Master's degree in Physical Education from Central CT State University. During my free time I enjoy spending time with my family, cooking, gardening and being outdoors. Physical activity is very important to me and I am excited to share my passion with the students. I am very excited to be part of the Cherry-Valley Springfield community and I look forward to meeting you.

Jessica Chapman

Hello Parents/Guardians and Students,

My name is Jessica Chapman and I am the 6th Grade ELA and Science teacher at Cherry Valley-Springfield. I have an Associate's in General Studies from Herkimer County Community College, a

Bachelor's in Early Childhood Education from The State University of New York at Cortland and a Master's in Literacy from Walden University. During my free time I enjoy traveling, gardening and spending time kayaking in the Adirondacks. Now that you know a bit of my background, I look forward to learning more about all of you. I believe student success starts with a strong foundation of communication and collaboration so please feel free to reach out to me with any questions or concerns.

Chenya D'Arcangelis

Hello! My name is Chenya D'Arcangelis. I teach Elementary General Music, Elementary, Junior, and High School Chorus. I also teach 4th Grade Beginning Band. I am from Rotterdam, New York but I am familiar to the area because my relatives live in Fort Plain! I graduated from Schenectady County Community College for Flute Performance in 2015. I continued my education at the Crane School of Music at SUNY Potsdam with a bachelor's degree in Music Education with a concentration in Flute and Special Education in May of 2018. I am looking forward to completing my master's degree in Vocal Jazz as well. Aside from music and teaching, I love fitness, dancing, bowling, crafting, and spending time with my friends and family. I am so excited to be here at Cherry Valley-Springfield making music and memories with your children!

Jessika Bartlett

My name is Jessika Bartlett and I grew up down the road in Richfield Springs and then went on to SUNY Oneonta for education. After graduating from Oneonta I settled down in Sharon Springs where I live with my husband and three kids. I now have the awesome opportunity of bringing my two oldest with me to school. My oldest is in kindergarten and my middle son is in pre-k. I am so happy to be part of CV-S family and look forward to see how I will become a important piece in my student's lives.

Have a
Great Year!

Junior and High School Counseling Office News

Looking Back

- On October 9, eight of our 8th grade students attended the 2018 DCMO BOCES Career Exploration Program at the Foothills Performing Arts Center. There they played career related games, practiced budgeting, and then toured the SUNY Oneonta campus. This opportunity was provided by CFES.
- On October 10, our 11th grade students took the PSAT at CV-S. The PSAT is a practice SAT Test and students will receive their scores by December. CV-S will be offering SAT prep classes after school starting in January.
- On October 11, 10 of our high school students attended the CFES Peer Mentor Training at SUNY Oneonta. At this training they learned the essential skills on how to be a mentor to our younger students at CV-S. This opportunity was provided by CFES.
- On October 15, 38 of our 11th and 12th grade students attended a College Fair at SUNY Cobleskill. Students were able to talk with college representatives from more than 80 colleges and universities. They then toured the campus and learned about the agricultural programs at Cobleskill. This opportunity was provided by CFES.
- On October 16, high school students interested in Health Related Careers attended the Bassett Healthcare Career Day. The students learned about the various health related professions and practiced using hospital equipment.
- During Mix It Up at Lunch Day on October 23, students moved out of their comfort zones and connected with new peers during lunch time. Students signed a pledge poster in the lobby to pledge to stop bullying and were given stop bullying bracelets.
- We held a Financial Aid Night on October 24 with Mrs. Louise Biron from SUNY Cobleskill. Parents had the opportunity to learn about the Financial Aid process and the Excelsior Scholarship. Parents and students were able to start and complete their FAFSA's on site.
- On November 1, CV-S hosted our CFES Mentoring Kick-Off Event for our high school mentors and our middle and elementary school mentees. They participated in a "meet and greet" activity, enjoyed lunch and made essential skills posters. This opportunity was provided by CFES.
- On November 2, our 8th grade students attended a tour of the OAOC BOCES and learned about their programs and participated in hands on activities.

CV-S Recognized as Exceptional School

27 Schools Recognized as Exceptional Across the United States & Ireland

Twenty-seven schools across the United States and Ireland have been recognized as Schools of Distinction by CFES Brilliant Pathways. This honor acknowledges the development and execution of an exemplary plan for the entire student body to become college and career ready through the CFES core practices of Essential Skills, Mentoring and Pathways to College and Career.

In order to be considered for the School of Distinction title, a school must fulfill a meticulous and varied set of criteria. These include implementing innovative programs throughout the school to advance college and career readiness, as well as including family members and the community in school activities.

“These 27 schools are global models,” said Rick Dalton, CFES Brilliant Pathways President and CEO. “They are successfully creating a culture of college and career readiness and are helping their students develop the Essential Skills they need to succeed in the 21st century workforce.”

CFES Brilliant Pathways is a nonprofit that helps urban and rural students become college and career ready through Core Practices and programs that build Essential Skills and college and career knowledge. We currently serve 25,000 students in 30 states and Ireland.

Yearbook Ordering Information

Yearbook order link: jostensyearbook.com. Pre-Order by December 31—\$40. After January 1—\$50. Very few extras are ordered so get your order in ASAP. You may also get an order form from Mrs. Jaquay by emailing her at mjaquay@cvscsd.org or sending a message to her mailbox.

Ordering through school you may send cash or a check to school made out to *CVS Yearbook*. Call 607-264-3265, ext. 236 with questions.

Tools for Schools News

Have you linked your AdvantEdge Card to our school?

If not, enroll your card and help our school reach its goal of enrolling 25 new supporters before Christmas.

Enroll at www.pricshopper.com/tools-schools. Our school codes are: 16748 for Elementary and 16749 for High School.

Share this to get family, friends and neighbors to sign up, too. The more supporters we have the more opportunities our school has to earn points when they shop! Thank you!

Please drive responsibly, and remember to Stop when a School Bus has their lights flashing. It's a simple rule to keep our kids safe!

National Honor Society Inducts New Members

Two seniors and five juniors were inducted into the Cherry Valley-Springfield High School National Honor Society on October 22. These students include seniors **Ryan Burr** and **Hailey Erway**, and juniors **Luke Bartlett**, **Rylee Dea**, **Kelsey Girard**, **Luke Loveland** and **Kendra L. McGovern**. The National Honor Society (NHS) is the nation's premier organization established to recognize outstanding high school students.

More than just an honor roll, the National Honor Society recognizes those students who have demonstrated excellence in the areas of scholarship, service, leadership, and character. Congratulations to these excellent students!

CVSTA LAP Quarter Auction

Thank you to all of the staff, students and community members who came and supported the Quarter Auction on Friday, October 19. The Cherry Valley-Springfield Teachers' Association's LAP Team put together another successful quarter auction. Dylan Hayes, Larry Kroon Jr., and Luke Loveland volunteered to pass out the winning baskets, sell food, and collect quarters. Approximately 50 baskets were raffled off, and much fun and friendly competition was had throughout the evening.

Money raised will be used to support our students, staff and the CV-S community through initiatives such as: student folders, Mentor Panel, Hearts and Flowers Committee, and donations within our school and community, such as the CV-S Yearbook, Whiteman Hull-Snyder American Legion Post 1360 5K, SADD, and Relay for Life.

Many local businesses and individuals generously donated auction items, including: Tiffany K's Hair Salon, Mr. Shake, Canoe & Kayak of Portlandville/Cooperstown, New York Pizzeria of Richfield Springs, Cooperstown Beverage Company, Cooperstown Escape Rooms, Tin Bin Alley, Tryon Inn, Jackie's Restaurant, Pail Shop Vineyards, Judy Heiser, Sparklewithbrenda by Brenda Lamouret, and Merrilyn Clapper.

Music Department

Winter Concerts

Start planning ahead – the Winter Concerts will be here before we know it! The December 5, 2018 concert will feature the Elementary Band, Elementary Chorus, Junior Jazz Band and Senior Jazz Band. The second concert, on December 13, will feature the Junior Band, Junior Choir, Senior Band and Senior Choir. Both concerts will take place at 7:00 p.m. We hope to see you there!

All-County

Auditions for Junior and Senior High All-County ensembles took place in Cooperstown on November 3. The students were well prepared and represented CV-S well! Look for results in the next newsletter!

Hartwick College Honor Band

Hartwick College hosted the 2018 Honor Band on Saturday, October 20. The ensemble consisted of high school students from throughout the region. Congratulations to **Natalie Davis** (bass clarinet), **Nathaniel**

Diamond (baritone saxophone), and **Andrew Oram** (trumpet) for being selected through an application process. These students spent an entire day in rehearsal before performing an outstanding concert that evening.

Area All-State

The Music Department is excited to announce the acceptance of four music students into Area-All State groups. **Mia Horvath** (alto saxophone,) **Sarah Lewis** (alto saxophone,) and **Andrew Oram** (trumpet) were selected for the Area-All State Band. **Barry Webster, Jr.** (bass) was selected for the Mixed Chorus. The students performed in a concert at SUNY Oneonta on November 17.

Summer Music Camps

There are many music camps and festivals throughout New York State each summer. These camps serve students of all ages, but focus primarily on vocalists and instrumentalists in middle and high school. Now is the time to begin planning for enrollment! Most programs offer scholarships and financial aid to those who are qualified. Please contact Kelly Oram at 607-264-3265 ext. 122 or koram@cvscsd.org for more information about programs that are available.

CONGRATULATIONS!

What Can You Make?!

Cherry Valley-
Springfield
Central School

April 27, 2019

Start planning to bring an amazing creation to CV-S's second annual School Maker Faire, our school's biggest Show-and-Tell.

What is a Maker Faire

The greatest Show-and-Tell in school history! Maker Faire showcases the amazing work of all kinds of makers—anyone who embraces the do-it-yourself (or do-it-together) spirit and wants to share their accomplishments with an appreciative audience.

Who can sign-up?

Anyone! Students can be a part of the Maker Faire as individuals, small groups, clubs, classrooms, with their families or more! In addition, students from other districts are also invited to attend and submit projects. Ideally the Maker Faire is about 70% student-made exhibits, 20% adult-made exhibits, and 10% booths where attendees can do some hands-on making. Although it is focused on student Makers, we will also be looking for community Makers who can showcase their talents and passions and share them with everyone.

What types of projects are at a Maker Faire?

Anything you can imagine! Each project will fall into one of the four designated categories in this Maker Faire:

- Sustainable Creations—this includes projects with a focus on sustainability. Examples include: garden systems, projects made of recycled materials, etc
- Large Constructions—this includes projects that are larger builds. Examples include a green house, vehicles, etc.
- Everyday Hacks—this includes projects that solves a problem or improves a process. Examples include a motion sensor scarecrow, a key finder, etc.
- Just for Fun—this includes projects that are neat, cool, and fun. Examples include sewing projects, craft, etc.
- Electronics—this includes projects that require inputs, outputs, and electricity. Examples include basic robots, remote controlled cars, etc.

Sign up

Sign-up as a Maker or get more info: Check out the website at cvscs.org/makerfaire or see Audrey Maldonado or Brian DeBoyace in the Library Media Center (ext. 234).

Thanks to the generosity of those who support Donors Choose, we've seen some amazing projects funded for our school. So far, generous donations have helped fund Raspberry Pi Kano Kits for promoting computing and creating with Mr. DeBoyace, Flexible Seating for Mr. Kilmartin's classroom, and a Calm Down Corner for students in Mrs. Sessock's room. If you're looking for ways to support projects at Cherry Valley-Springfield, help support individual classroom projects at CV-S through DonorsChoose!

More amazing projects still need funding such as a "Creativity on Wheels" project proposed by Ms. Maldonado and "Chromebook Journeys" which would fund educational technology for students in Mrs. Hanson's room.

Support CV-S at:

DonorsChoose.org

Visit our school's Donors Choose page where you can see all our projects at: www.donorschoose.org/school/cherry-valley-springfield-school/22040

Missed this years' amazing Jam?? Plan to Appear at our next Patriot Pi Raspberry Jam—Saturday, May 30 from 10:00 a.m. to 3:00 p.m.

What is a Jam?

A Raspberry Jam is a get-together about the Raspberry Pi! The Raspberry Pi is a small, open-source, \$35 computer expressly built for students to learn about computing and coding. There are endless opportunities with the Raspberry Pi from controlling lights, to creating your own retro-game emulator, to building your own robot and so much more! Join us for this fun get-together to try it out and get hands-on, meet others and see some cool projects, and to learn and share about the Raspberry Pi in the Library Media Center.

Who is it for?

Anyone interested in technology and the Raspberry Pi! This get together is for anyone - novice or expert - and will be about making, learning, community building, show-and-tell, and more!

For more info, go to cvscs.org/jam, or contact Brian DeBoyace or Audrey Maldonado in the LMC.

Box-Tops

Congratulations to the fourth graders who won this Fall's Box Top challenge! As a reward for bringing in over 1,000 box tops, they were able to have a party in the LMC.

Each Box Top we collect is worth ten cents and that adds up when we all work together. You are welcome to bring in Box Tops any time during the year. Look forward to more school-wide challenges for collecting Box Tops as we progress through the school year!

In addition to clipping Box Tops, you can help out by using the Box Tops app, which allows you to earn points by scanning receipts for participating products.

News From Head Start

The Head Start Class has had a great fall in Cherry Valley. On October 9, we visited Middlefield Orchards. We took a hayride, walked the corn maze, picked pumpkins and played in the hay fort. It was a beautiful day to remember with our families.

On October 5 for Fire Safety Month Head Start parents Scott and Heather Monington along with CVFD member Jon Roach brought the ladder truck from Cooperstown Fire Department for our class to look at and learn about. Miss Savannah even got to ascend the ladder and took great aerial photos of our school! Then the firefighters came into our class and showed us all their turnout gear and personal safety equipment. We learned so much!

We would like to thank the custodial staff who takes such good care of our classroom.

There are still openings in Head Start! IF you know of a family in need of half-day preschool program, please stop in, or call Heather Fay at 607-433-8063.

There are also many jobs with Head Start available. If you have a love of children and families, we would love to have you join our team. Look on our website for job postings at <http://www.ofoinc.org/jobs>

Fall Play Who Invited Them?

CONTINUING ED NOVEMBER 2018 UPDATES

We've had a very busy fall session of Continuing Ed Courses so far with over 200 people participating in our many classes. We will wrap up the fall schedule with the classes listed below in November & December.

You must be registered in advance for ALL classes as instructors will be prepared only for registered students with the appropriate supplies, materials, and space. Some classes have instructor/ student ratios so that numbers are limited. Even with courses in which we accept **walk-ins** (Karate, Yoga, Pound, Belly Dance, Open Computer Night, Pickleball, Aikido), **it's always good to call ahead, & register**, so we can let you know if a class has been cancelled for any reason and save you a trip to the school.

See insert for classes and registration form.

We are already in the planning stages for our winter & spring sessions. **THERE WILL NOT BE ANY CLASSES IN JANUARY** with the exception of Karate which will begin on Monday, January 7. We will start up again the week of February 4, 2019. Look for ads in the *Pennysaver* around January 24.

If you would like to see us offer a course you haven't seen before or would like us to repeat a class, please contact Mrs. PJ Johnson at (607) 264-3265, ext. 518 or by e-mail at pjohnson@cvscsd.org. We are also always looking for qualified instructors, so if you have an idea for a course or class we can offer to the community, please contact PJ at either the phone number or e-mail above.

Many thanks to all our instructors and CV-S staff who help to make our program so successful!

Booster Club

New Scoreboard

The CV-S Athletic Booster Club would like to thank everyone for their support and donations that assisted us in purchasing the soccer scoreboard. No matter where you are standing to watch the games you can see the scoreboard. Thank you again!

Membership Drive

The CV-S Athletic Booster club is extending an invitation for you to join the Booster Club. We usually meet the first Monday of the month in the library at 7:00 p.m. We try to keep the meetings to one hour. There will be no meeting in December and the January meeting has been moved to Wednesday the 9th due to basketball games. We are working on having a space on the school website.

Amazon Smile

The CV-S Athletic Booster Club is registered on AmazonSmile. AmazonSmile is a website operated by Amazon with the same products, prices, and shopping features as Amazon.com. The difference is that when you shop on AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price of eligible products to the charitable organization of your choice. Our link is <https://smile.amazon.com/ch/38-4054346> This link will take you directly to smile.amazon.com in support of our organization so you won't have to search for our charity among almost a million other organizations. It's the easiest way for customers to find and support our charity.

Retirees Make Contributions

Former Librarian Rhonda King, right, presented the following books to the Cherry Valley-Springfield Central School Librarian Audrey Maldonado: *School People* by Lee Bennett Hopkins in memory of bus driver and mechanic Walter Cook, *Our Corner Grocery Store* by Joanne Schwartz in memory of Bus Driver Frances "Jake" Rury, and *My Dad had that Car* by Tad Burress in memory of bus driver Gerald Wilmot.

These books were purchased by the Cherry Valley-Springfield Retirees in memory of former colleagues of the Cherry Valley, Springfield, and Cherry Valley-Springfield Districts.

Thank You!

Christmas KISS Sale

The Foreign Language Club Annual Christmas KISS sale will be held in December. Be watching for order forms to come home the end of November. Cost will be 50¢ per bag.

Safety Patrol News

On October 18, 26 sixth graders became safety patrol members. With the help of Deputy Mateunas, of the Otsego County Sheriff Dept., each member received a belt and a badge. Their job here at CVS is to assist with the safety of our elementary students.
