

*Congratulations to the Cherry Valley-Springfield  
Class of 2017!*

## New Faces at Cherry Valley-Springfield!

**David Mayton**

Our new Head Custodian, David Mayton, has over 24 years of experience in Maintenance and Transportation. He spent most of his years with Owen D. Young Central School District in VanHornesville. He worked mostly as their Transportation Supervisor, but he also worked in the Maintenance Department where he took care of the interior of the building and also the grounds. He attended Don Lee Boiler School and is certified as a boiler technician and is also a certified 19A Examiner.

David is a lifelong resident to this area and he and his wife Emily have two grown children—Joshua and Jacob. Outside of work, David enjoys fishing, hunting and spending time with his family and friends.

**Ricki Mulvihill**

Hello Parents/Guardians and Students,  
My name is Ricki Mulvihill and I am the new High School Counselor for Cherry Valley-Springfield. I have an Associate's in Human Services from Mohawk Valley Community College, a Bachelor's in Sociology from The State University of New York at Fredonia and a Master's in School Counseling from

The Sage Colleges. I also have prior experience working with students with special needs. During my free time I enjoy traveling, playing board games and spending time hiking and kayaking in the Adirondacks. Now that you know a bit of my background, I look forward to meeting and learning more about all of you. I believe student success starts with a strong foundation of communication and collaboration so please feel free to reach out to me with any questions or concerns.

## From the Superintendent

Dear Parents and Community Members,

Every year, right about this time, I catch myself saying, “Where did the summer go?” The real question should be, “What did I do to make it memorable?” The weather was unpredictable, yet it was an enjoyable summer. I hope you and your family were able to take the time to enjoy the hustle and bustle of summer. Here at school we have been extremely busy. Our biggest task was hiring new faculty and staff. We feel confident and are excited to welcome the new faces at CVSCS. Our next newsletter will feature all our new faculty and staff. Open House will take place on Wednesday, September 27, 6:00-8:00 p.m. This will be a great opportunity to meet them.

The maintenance staff has been extremely busy working in the building and on the grounds. We welcome our new Head Custodian Dave Mayton. The entire crew has done a fantastic job getting the school ready for our students. The Capital Project process is under way. We are at the paperwork stage that requires submission to the State Education Department (SED). We have moved the fuel tank portion of the project ahead in the timeline so that we could get it addressed prior to winter. We are awaiting SED approval and then will go out to bid. The \$100,000 outlay project is also underway. This project includes replacement of over 50 interior doors. Updates on these projects will be posted on the school website.

Our school website is *new and improved!* It will be up and running on September 1. There is a new look and you will find it more user-friendly. Our goal this year is to use the school website as our main delivery of communication for the District. Updates and school news will be updated on a daily basis. We will also link news to Facebook and Twitter. We are always looking for ways to better communicate with parents and the community. Please share any ideas with us. The District web address is [www.cvscs.org](http://www.cvscs.org).

The Board of Education has developed their goals for the District that focus on culture, climate and community engagement, academic program, financial planning and building and grounds. The ultimate goal is *to improve student achievement by focusing on these areas*. The goals will be reviewed quarterly. The goals are printed in the newsletter, and are posted on the website.

Last, I challenge parents and community members to become involved in the school. It is your school and we really do want you to be involved. Pick up a volunteer form to volunteer at school, join the PTO or Athletic Booster Club, attend concerts or athletic events. My door is always open, please stop by anytime. We all play a role in giving students the opportunity to Inspire, Engage and Grow.

Sincerely,  
*TheriJo Climenhaga*  
 Superintendent of Schools

---

## District Communication Procedure

Frequently, parents and other community members request help in knowing the best way to communicate with the school. The communications guideline chart below will serve as a helpful resource. By contacting the following people in the prescribed order, questions will be answered efficiently.

Questions About	1st Contact	2nd Contact	3rd Contact	4th Contact
<b>Academics</b>	Teacher	Guidance Counselor	Principal	Superintendent
<b>Athletics</b>	Coach	Athletic Coordinator	Athletic Director	Superintendent
<b>Behavior</b>	Teacher	Principal		
<b>Board Policy</b>	District Clerk	Superintendent	Board of Education	
<b>Building Use</b>	Principal	Superintendent		
<b>Food Services</b>	Cafeteria Manager	Principal	Superintendent	
<b>Instruction</b>	Teacher	Principal	Superintendent	
<b>Curriculum</b>	Teacher	Principal	Superintendent	
<b>Health Office</b>	School Nurse	School Health Care Provider	Principal	Superintendent
<b>Scheduling</b>	Guidance Counselor	Principal		
<b>Special Education</b>	Teacher	Director of Special Education	Principal	Superintendent
<b>Transportation</b>	Bus Garage	Principal	Superintendent	

---

## Attendance

If your child is going to be absent, please call the Health Office the morning of the absence. When you call, please leave your name, the student's name and grade, and the reason for the absence. If no reason is given, it will be marked as an illegal absence. Voicemail is available so you may leave a message during the night. The number is 264-3265, ext. 514. Please remember to follow-up with a written note to be turned into the Main Office for the absence.

## Homework Requests

When your child is out sick, please contact the Main Office by 9:00 a.m. for homework to be gathered. Please understand that sometimes notes for all classes might not be available that same day. If a child misses class, notes that were on the board will have to be reproduced, that will take some time to do. If your child is absent, we make every effort to have all homework collected. However, remind your child to ask the teacher what else needs to be done to make up all that's missed. Remember that being in school as much as possible is the best way to get it all.

## Public Notification

The Cherry Valley-Springfield Central School District hereby advises students, parents, employees and the general public that it offers employment and educational opportunities, including vocational education opportunities, without regard to sex, race, color, national origin or handicap. Inquiries regarding this nondiscrimination policy may be directed to:

Title IX Compliance Officer and 504 Officer  
Bonnie Georgi, Director of Special Education  
Cherry Valley-Springfield Central School  
P.O. Box 485  
Cherry Valley, NY 13320

## Electronic Surveillance

Cherry Valley-Springfield uses video equipment to assist in building and transportation safety and security. Cameras are placed at entrances and hallways, both inside and outside of the building. There are also cameras on the school-owned buses. The purpose of the cameras is primarily building security and safety but students and parents must be informed that the video footage is sometimes scanned in situations where incidents involving students may have happened. If the camera footage indicates that a child has misbehaved in any way, administration will use those images to give consequences, as necessary.

## Continuing Education Courses

Be on the lookout for this Fall's exciting selection of Continuing Education Courses! The full Fall 2017 Continuing Schedule will be posted on the school website at [www.cvscs.org](http://www.cvscs.org), under the **Community** heading by the first week in September. A full schedule will also be available in the *Turnpike & Cooperstown Pennysavers* (September 7th issue).

Flyers will be available beginning the second week of September at the Cherry Valley, Sharon Springs, and Springfield Libraries and Post Offices, the Price Chopper stores in Richfield Springs & Cooperstown as well as several local businesses. In addition, flyers will be sent home with students in grades Pre-K-5, and will be available in the Cherry Valley-Springfield Main Office and at Open House on September 27.

We are re-offering several of the community's favorite courses from karate to yoga and acrylic painting, courses for athletic coaches, a series of basket weaving workshops, a soap-making class, courses on essential oils, and several more still in the works.

If you are interested in teaching a class or for more information on the classes we offer, please contact PJ Johnson at (607) 264-3265, ext. 518 or by email at [pjohnson@cvscsd.org](mailto:pjohnson@cvscsd.org).

## School Supplies

Student supply lists are posted on the school's website: [www.cvscs.org](http://www.cvscs.org).

## Parent Notification Regarding Teacher Qualifications

In accordance with the federal No Child Left Behind Act of 2001, parents and guardians have the right to request specific information about the professional qualifications of their children's classroom teachers. As a parent/guardian of a student in the Cherry Valley-Springfield CSD, you have the right to request the following information:

- if the teacher has met New York state qualifications and licensing criteria for the grade levels and subject areas he or she teaches;
- whether the teacher is teaching under emergency or other provisional status through which the state qualification or licensing criteria have been waived;
- the teacher's college major, whether the teacher has any advanced degrees and if so, the subject of the degrees; and
- if your child is provided services by any instructional aides or similar paraprofessionals provide services to your child and, if they do, their qualifications.

Requests for information about the qualifications of your child's teacher(s) can be directed to either principal at (607) 264-3265, ext. 506 or 515. All requests will be honored in a timely manner.

Thank you for your continued support and interest in your child's education.

---

## Parents of Home-Schooled Children

If you plan to home-school your child, you must submit a letter of intent to TheriJo Climenhaga, Superintendent of Schools. You will then be mailed a packet containing Individualized Home Instruction Plan (IHIP) and reports, which must be completed and returned to Mrs. Climenhaga each quarter.

Please mail your letter of intent to: P.O. Box 485, Cherry Valley, NY 13320

### Asbestos Notification

*The Cherry Valley-Springfield building and grounds do not contain asbestos materials.*

## Child Find

It is the responsibility of the Cherry Valley-Springfield Central School District Committee on Special Education (CSE) and the Committee on Preschool Special Education (CPSE) to find and identify students residing within the Cherry Valley-Springfield Central School District who may be in need of special education services. If you have noticed that your child is not developing skills such as walking, talking, learning, or playing like other young children, and you suspect that he or she may have a disability, you may wish to make a referral to the CSE or the CPSE. You may do so by contacting Bonnie Georgi, the Chairperson of the CSE/CPSE, at 607-264-9012. The Chairperson will explain the pre-referral, referral and evaluation process and describe the eligibility requirements for identification of a preschooler with a disability.

If your child is between the ages of birth and three, the CPSE Chairperson will refer you to the Otsego County Early Intervention Program. For school aged children, the Chairperson can explain the many general education supports and services available, as well as the CSE referral, evaluation, identification process, and the State and Federal eligibility requirements for identification of a student with special needs. For additional information please refer to *A Parent's Guide to Special Education* on the New York State Education Department (NYSED) website.

## Public Access to Records

Access by residents of the Cherry Valley-Springfield Central School District to records of the District shall be consistent with the rules and regulations established by the State Committee on Open Government and shall comply with all the requirements of the New York State Public Officers Law Section 84 et seq.

Rules and procedures used are pursuant to Article 6 of the Public Officer's Law and the Federal Family Educational Rights and Privacy Act of 1974, as amended.

## Dissection of Animals

Per Board Policy 4850 and Education Law Part 809, any student expressing a moral or religious objection to the performance of witnessing of the dissection of animals, either wholly or in part, shall be provided the opportunity to undertake and complete an alternative project that shall be approved by such student's teacher; provided, however, that such obligation is substantiated in writing by the student's parent or legal guardian. Students who perform alternative projects who do not perform or witness the dissection of animals shall not be penalized. Parents or legal guardians may contact their child's teacher for further information.

## Annual Fire Inspection

Notice is hereby given that the annual fire inspection of the Cherry Valley-Springfield Central School buildings has been completed. The report is on file in the District Office.

## Section 504 Annual Notice

In accordance with the Rehabilitation Act of 1973 commonly known as §504, the School District hereby notifies disabled children and their parents of the School District duty under the Regulations to §504.

The School District shall provide a free, appropriate public education to each qualified disabled child who resides in the School District regardless of the nature or severity of the disability. The School District shall educate each qualified disabled child with children who are not disabled to the maximum extent appropriate to the needs of the disabled child, and shall also ensure that disabled children participate with non-disabled children in nonacademic and extra-curricular activities to the maximum extent appropriate. A disabled child shall be afforded an equal opportunity for participation in such services and activities.

The School District shall provide disabled children an equal opportunity for participation in physical education courses, interscholastic, club or intramural athletics.

The School District shall conduct pre-placement evaluations, and shall establish standards and procedures consistent with §104.35 for the evaluation and placement of children who need or are believed to need special education or related services. Periodic re-evaluation shall be conducted of children who have been provided special education or related services.

Placement decisions shall draw upon information from a variety of sources and shall be made by a group of persons knowledgeable about the child, the meaning of the evaluation data, and the placement options. The School District shall establish and implement a system of procedural safeguards that includes notice, an opportunity for the parent to examine relevant records, an impartial hearing with the opportunity for participation by the parent and representation by counsel, and a review procedure.

The Transportation Department will be notifying those with any major changes to their pick-up times. If you have any questions please feel free to call the bus garage at (607) 264-3265, ext. 601. Thank you.*

## From the Nurses Office

Dear Parents/Guardians,

It seems as though we blinked and the summer flew by! As we near another school year I would like to send out a few reminders as well as updated information.

- If your child will be taking medication in school you must provide the school with a written provider order as well as well as parent/guardian consent, and the medication must come in the correctly labeled bottle.
- Mandated screenings will be done throughout the year for hearing, vision, and scoliosis as required by New York State.
- In accordance with New York State regulations please be sure your child is age-appropriately immunized.
  - Those entering Pre-K and K all immunization records need to be sent to the school prior to your child's start date.
  - Students entering 6th grade must receive an immunization containing tetanus toxoids, diphtheria and acellular pertussis (Tdap). This, however, is not required until they reach age 11.
  - Student's entering 7th grade must have one dose of meningococcal vaccine; they will be required to get a booster at age 16. This is a new requirement.
  - Student's entering 12th grade must either have two doses of meningococcal vaccine with the booster given on or after age 16 or one dose if your child's first dose was given on or after age 16. This is a new requirement.
  - Please send any updated immunization records to the health office for records.
- If your child has any new health diagnosis or allergies please notify the school nurse.
- If you have new or updated contact information including home phone, cell phone or address please notify the school of those changes.

My main goal as the school nurse here at CV-S is to keep each child safe and healthy and I appreciate your continued support. If you have any questions in regards to your child/children please do not hesitate to contact me directly at (607) 264-3265, ext. 514 or [cfassett@cvscs.org](mailto:cfassett@cvscs.org).

See you in September,  
*Chelsea Fassett, RN-BC*  
School Nurse

### Pass It On

If you know of anyone not receiving the *Patriot News* who would like to receive a copy, please contact Laura Carson at (607) 264-9332, ext. 501. Remember you can also access the *Patriot News* on the school website at [www.cvscs.org](http://www.cvscs.org).

## Medication Procedure in School Health Offices

From the State Education Department of School Health Services—Procedure for Prescription and Over-the-Counter Medications:

1. written order from licensed prescriber;
2. written permission from parent;
3. parent needs to provide medication in the original container; and
4. the medication needs to be properly labeled with the student's name, type of medication, dosage of medication, and time to be given.

All of the above steps need to be followed in order for any type of medication to be given in school.

Over-the-counter medications include Tylenol, Ibuprofen, Motrin, Advil, Benadryl, Excedrin, Aspirin, Neosporin, etc. These medications will *not* be provided by the school. Any medication to be given in school needs to be provided by the parent/guardian.

If you have any questions, please call Chelsea Fassett, School Nurse, at 264-3218, ext. 514.

### School Tax Collection

School taxes may be paid in person at the Cherry Valley Branch of the NBT Bank or by mail to the Cherry Valley-Springfield Central School, P.O. Box 485, Cherry Valley, New York 13320, in care of School Tax Collector.

### Board of Education Meeting Schedule for 2017-2018

Most meetings will be held on the third Thursday of the month except those so marked by an asterisk. The meetings will begin at 7:00 p.m. (unless marked) in room 145 at the Cherry Valley-Springfield Central School.

- August 17, 2017
- September 21, 2017
- October 19, 2017
- November 16, 2017
- \*December 14, 2017 (Begins at 6:00 p.m.-concert)
- January 18, 2018
- February 15, 2018
- \*March 8, 2018
- \*March 22, 2018
- April 19, 2018—BOE Approves Budget
- \*May 3, 2018—Budget Hearing
- \*May 15, 2018—Budget Vote
- June 21, 2018

---

## District Goals 2017-2018

### Mission

By working together, the Cherry Valley-Springfield School community will provide the foundation for success that every individual needs for a lifetime.

### Culture, Climate and Community Engagement

Improve student achievement by cultivating an organizational culture that nurtures and sustains collaboration, trust, respect, learning and high expectations.

#### *Essential Objectives*

- Develop understanding of communication deficiencies to improve internal and external communications.
- Foster a culture and learning environment where respect and acceptance are modeled by all and conducive to a positive experience

### Academic Program

Improve student achievement by cultivating and supporting a vision for learning through comprehensive, rigorous and coherent curriculum and high quality instruction

#### *Essential Objective*

- Provide cognitively-engaging, learner-centered instruction and content with implementation of applicable state/national standards

### Financial Planning

Improve student achievement by ensuring strong fiscal health to support high quality programs

#### *Essential Objectives*

- Multi-year financial planning
- Continuous review of programs and operations to ensure cost effectiveness and provide funding opportunities to support program needs and enhancements

### Building and Grounds

Improve student achievement by successfully maintaining facilities which are clean, safe, conducive to learning and welcoming to the community

#### *Essential Objectives*

- Future-proof facilities to provide capacity to meet the demands of 21st century learners
- Provide operational support, services and physical capacity to meet the varied needs of the District

## Animals on School Property

To maintain a safe school environment for all children and guests animals will be prohibited from school events, including sporting events. For educational purposes, animals may be allowed with prior approval. This policy exempts service animals.

## Tardiness to School

Students are considered late if they arrive after 7:58 a.m. When a student is late to school it is the responsibility of both the parent and student to account for that tardiness by submitting a note. The note must include:

- Date and time of arrival
- Valid reason for tardiness
- Signature of parent or guardian with a number where they may be reached during the day
- 3rd unexcused tardy in a marking period: Student is assigned a lunch detention for the day he/she is tardy.
- 4th unexcused tardy in a marking period: Student is assigned a lunch detention for the day he/she is tardy.
- 5th unexcused tardy in a marking period: Student is assigned a lunch detention for the day he/she is tardy.
- 6th unexcused tardy in a marking period: Student is assigned after school detention from 3:00-5:00 p.m. for the day he/she is tardy.

Every unexcused tardy thereafter will result in after school detention on the day the student is tardy. Failure to comply with these consequences will result in further disciplinary action.

The School District has determined that absences, tardiness and early departures will be considered excused or unexcused according to the following standards:

**Excused:** An absence, tardiness or early departure may be excused if due to personal illness, illness or death in the family, impassable roads due to inclement weather, religious observance, quarantine, required court appearances, attendance at health clinics, approved college visits, approved cooperative work programs, military obligations, music lessons, or other such reasons as may be approved by the Board of Education.

**Unexcused:** An absence, tardiness, or early departure is considered unexcused if the reason for the lack of attendance does not fall into the above categories (e.g., family vacation, hunting, babysitting, haircut, obtaining learner's permit, road test, oversleeping).

We appreciate your support of our efforts to improve attendance.

## Use of Facility and Grounds

The Board of Education allows groups and organizations to use the Cherry Valley-Springfield Central School Building and Grounds providing that certain requirements and guidelines are met. These requirements and guidelines are set not only for avoiding scheduling conflicts but to ensure proper security, safety and building maintenance measures.

A copy of the full context of the requirements and guidelines is available by contacting the Main Office.

---

## Bus Safety

Discuss these safety rules with your child and ask him or her to learn the bus driver's name. Your child should understand that riding the school bus is a privilege and it may be denied as a result of misbehavior on a bus.

### Crossing the street . . .

- Be sure that you can see the driver's eyes and that the driver sees you, too. You should cross at least 10 feet in front of the bus. Wait for the driver's signal to cross and then look both ways. Walk, don't run, quickly across. NEVER cross in back of the bus. Remember, if you can touch the bus you are too close and are in a *danger* zone.

### Getting on the bus . . .

- Be on time at your bus stop. Stay back from the roadway until the bus is completely stopped. (Student conduct at the bus stop is the responsibility of the parents.)
- Hold on to the handrail as you get on or off the bus. Be sure to carry a backpack for all your books and papers.
- Take a seat immediately.

### Riding the bus . . .

- Stay in your seat. Keep hands and head inside the bus at all times.
- Be courteous to other riders and to your driver. Do not use profane language. Talk quietly with your friends.
- Do not eat or drink on the bus.
- Absolutely no smoking.
- Do not litter. Help keep the bus clean.
- Keep aisles clear at all times. A package or musical instrument that can be held on your lap is permissible, as long as it does not obstruct the driver's vision. No glass or animals are permitted.
- Do not play with emergency exits.
- If you see something wrong or unsafe, report it to the driver immediately.
- You may not leave the bus at any scheduled stop other than your own without parental permission and approval.
- Always follow the bus driver's instructions. The driver is in full command and is authorized to assign seats if necessary. The driver may explain other safety guidelines during the school year.

### When Red Lights Flash—Don't Pass

- To ensure the safety of students when they are riding on school buses, drivers of other vehicles may not pass when a bus' red lights are flashing. Many drivers assume that this law refers only to buses stopped in streets and roadways. However, the law was revised in 1990 to include driveways and school parking areas as locations where buses may not be passed if the red lights are flashing.
- Drivers who fail to stop when a school bus has its red lights on face costly penalties and even can land in jail:
  - First conviction—carries a fine of between \$250 and \$400, a jail sentence of up to 30 days, or both.
  - Second conviction—within three years carries an increased fine of between \$600 and \$750, a jail sentence of up to 180 days, or both.
  - Third or subsequent conviction—within three years carries penalties of a fine between \$750 and \$850, a jail sentence up to 180 days, or both.

## Possible Pesticide Application in School Buildings and on District Property

New York State Education Law Section 409-H and State Education Department Commissioner's Regulation 155.24, effective July 1, 2001, require all public and nonpublic elementary and secondary schools to provide written notification to all persons in parental relation, faculty and staff regarding the potential use of pesticide periodically throughout the school year. In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hour notification list.

The school district is required to maintain a list of persons in parental relation, faculty and staff who wish to receive 48-hour written notification of certain pesticide applications. If you would like to receive 48-hour notification of pesticide applications that are scheduled to occur in your school please contact the school.

The following pesticide applications are not subject to prior notification requirements:

- a school remains unoccupied for a continuous 72-hour following an application;
  - anti-microbial products;
  - nonvolatile redenticides in tamper resistant bait stations in areas inaccessible to children;
  - nonvolatile insecticidal baits in tamper resistant bait stations in areas inaccessible to children;
  - silica gels and other nonvolatile ready-to-use pastes, foams, or gels in areas inaccessible to children;
  - boric acid and disodium octaborate tetrahydrate;
  - the application of EPA designated biopesticides;
  - the application of EPA designated exempt materials under 40CFR152.25; and
  - the use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spiders, bees, wasps, and hornets.
-

# 2017 Fall Sports Schedule

## VARSITY BOYS

### August
