G. EMERGENCY DECLARATION

RESOLUTION 7-8-2018

Where it has been determined that unsafe conditions exist on the Cherry Valley-Springfield School sports fields, the school board has determined it to be prudent to apply a selective broadleaf herbicide to reduce weed population on the sports fields. The unevenness of the various weeds constitutes a safety hazard, as the uneven surface can potentially cause injuries by twisting ankles and other joints.

Furthermore, the relatively large surface area of some weeds create slippery surface conditions, creating additional safety hazards for players and other users. To reduce future applications of weed control products the board will make the following recommendations:

1. Routine fertilizations are to be made, which will help maintain turf vigor and density, which will reduce invasive broadleaf weeds.
2. Other cultural practices including mowing, irrigation, and aerations following standard horticultural practices will be followed to promote a dense turf stand and minimize invasive weeds and other pests.
3. Frequent, regular over seedings will be done when seasonally appropriate to minimize wear and bear areas.
4. Any materials used for weed control will be "Caution" label only, the low risk category as defined by the United States Environmental Protection Agency (U.S.EPA).
5. Any pest control will be made in accordance with all other NYSDEC regulations, and done at the time when there are no scheduled activities taking place on the treated fields. The school board wishes to have these products applied as soon as practicable when weather conditions are suitable to insure the best results, and return the fields to use in time for fall sports season.

H. VIDEO CONFERENCING

RESOLUTION 8-8-2018

WHEREAS, Public Officers Law Sections 102 and 103 allow for the use of videoconferencing for attendance and participation of the members of the board of education who are unable to attend the physical meeting; and,

WHEREAS, the use of videoconferencing will support and foster the ability of members of the board of education to participate in board meetings when business, personal, or other reasons prevent them from being physically present for the meeting; and,

WHEREAS, Public Officers Law Section 104 requires adequate notice to the public if videoconferencing will be used, the location(s) of such sites, and the opportunity for the public to attend the meeting at any such site.
