

# School-Based Health Center

at Cherry Valley-Springfield Central School

# History of SBHC

- First SBHC was at Delaware Academy, Delhi in 1992 followed by HealthZones in Edmeston, Laurens and Morris in 1996.
- Most recently, GMU, in 2020.
- Currently 21 sites, in 17 school districts, in four counties.
- Conversations have been ongoing through the years of bringing a SBCH to CVS.
- Most recent began Summer of 2019...and now we are here today!

# What is a SBHC?

A SBHC provides comprehensive health care services to students in PK-12th grade at the school.

The SBHC can become the student's main health care provider, and it is able to take care of all primary healthcare needs, even when school is not in session. For students with a primary care provider the SBHC can work with the provider.

# SBHC staffing

The SBHC is staffed with:

- Nurse Practitioner /Physician Assistant who work under a Bassett Pediatrician
- Licensed Practical Nurse
- Ambulatory Office Assistant
- Licensed Clinical Social Worker or a Licensed Mental Health Counselor
- Dental Hygienist
- Dietician

# Services provided

## Services provided:

- Complete physical examinations
- Recommended health screenings
- Comprehensive health care including diagnosis and treatment of acute and chronic illness
- Reproductive health care
- Health education referral services
- Preventive dental services and referrals
- Immunizations, mental health screening, consultation and referrals
- Counseling
- Child Health Plus information and enrollment assistance

# School Nurse

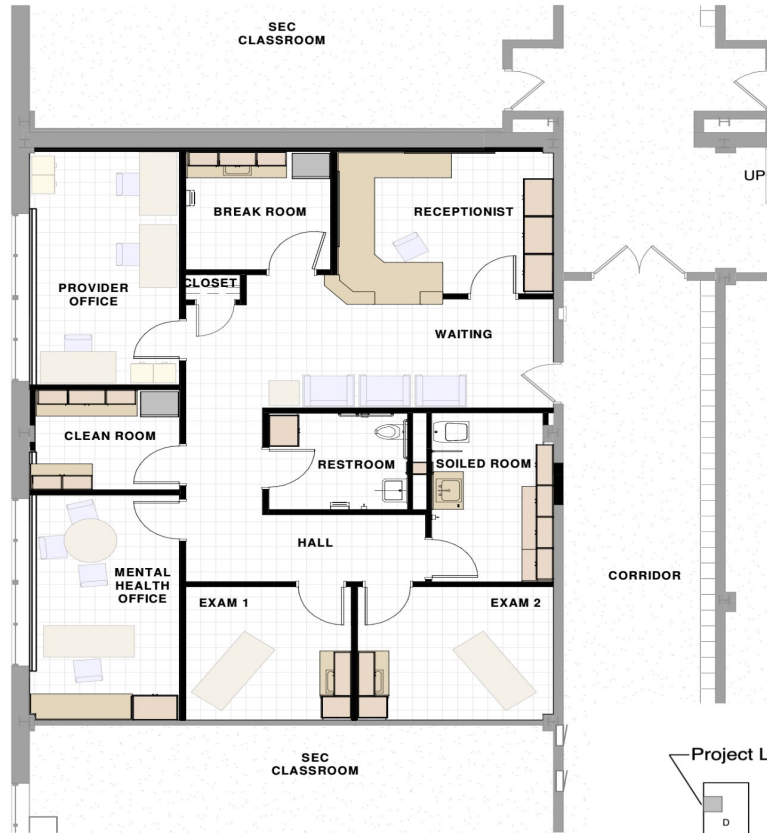

The school nurse will continue to provide all students with the same services they had in the past regardless of the student's enrollment in the SBHC.

# Cost to families

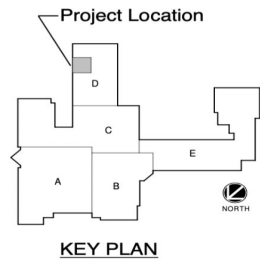

There will never be any out-of-pocket expenses for SBHC services. The SBHC program will bill the student's health insurance for services provided on site at SBHC. If the student does not have health insurance, there will be no charge to the student's family for the health services provided.

Cost of services provided outside the SBHC such as lab tests, X-rays, prescriptions are responsibility of the parent.

● Soft costs	<u>62,010</u>
	<b>\$614,693</b>

District will complete all Demolition and any additional work that is allowable

Project has been reduced by \$43,357

Leaves room for any additional escalation costs

## Financial Impact

- Use of Capital Reserve: \$225,000
- The project is aidable at our state rate of 81.5%
  - We will bond the balance of \$433,050
    - 15 year bond as state aid is paid to us yearly for 15 years.
      - Cost to taxpayers is interest from the bonding which is minimal
- Interest payments will not affect the tax levy. There will be no impact on taxes.
