March 2024

Dear CV-S Families,

This letter provides you with essential information regarding the Spring 2024 Grades 3–8 English Language Arts (ELA); Mathematics; and Grades 5 & 8 Science Tests. Both the ELA and Mathematics exams have two parts (Day 1 and Day 2) and the testing sessions remain untimed. The Grades 5 & 8 Science tests are done in one session, and are also untimed.

3-8 Testing Schedule

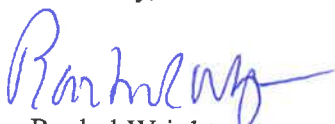

ELA	grades 3, 4, 5	April 9, 10
	grades 6, 7, 8	April 16, 17
Math	grades 3, 4, 5	April 30/May 1
	grades 6, 7, 8	May 2, 3
Science	grades 5 & 8 only	May 8

If your student is absent on any of the scheduled testing days, arrangements will be made for them to take the session missed on another day.

The NYS assessments provide students the opportunity to demonstrate their understanding of the subject matter, which is critical to the learning process and allows us to evaluate whether the educational goals and standards of the lessons are being met. The state assessments present a challenge that we know our teachers and students are prepared for. As always, we see the challenge of these tests as an opportunity for our students to be their best.

If you have any questions, please contact either of us at (607) 264-3265.

Sincerely,

Rachel Wright
Elementary Principal

Kevin Keane
Secondary Principal
